**CHAPTER MEETING**

**January 21, 2008**

**Petroleum Club**

**39<sup>th</sup> Floor**

**11:45 a.m. Lunch  
12:15 p.m. Program**

**Topic:**

**Simplified Acoustic Design**

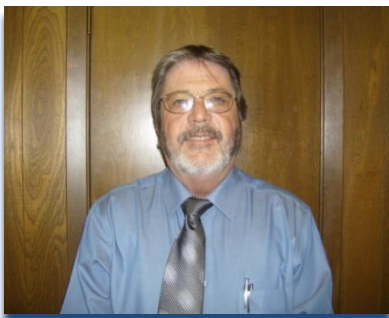

The Four Questions Every Design  
Engineer & You Want to Answer

**Speaker:**

Brandon Wallace of BRD Noise and  
Vibration Control

**Biography on Speaker:**

Brandon Wallace graduated from Kansas State University in 1999 with a BS in Chemical Engineering. After graduation he completed the 6 month long intensive Trane Graduate Training program and then went on to work for the Trane Company in their air and water-cooled chiller division where he held several positions over the next 7 years. In 2006 he joined BRD Noise and Vibration Control, Inc. as their South-west Regional Sales Manager responsible for design and sales.

*David James, President*

## MESSAGE.....

### HAPPY NEW YEAR !!!!

We are starting 2009 with so many events coming up. January is kicking off the new year with the Society Winter Meeting in Chicago starting the 24<sup>th</sup>. Brrrr!!!! To all of you who are attending. Our Chapter is having a “Winter” Party in lieu of the customary Christmas Party we have had. This party should be a way to get the new year kicked off with fun and fellowship and preparing to get down to serious business for our Chapter for the remainder of next few months.

A lot of news being generated by Society we should all check out. Our next newsletter will include several articles published by Society along with information of an upcoming broadcast in April.

History is being written the 21<sup>st</sup> of this month as our new president is sworn in to office. We must all pray and have faith that better things are ahead for all of us.

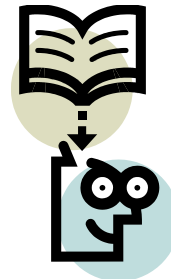

I look forward to seeing you at the Party on Saturday.

*Respectively,  
David James, Chapter President*

## Editor’s Bits and Pieces....

If you wish to have an article published in the newsletter please forward to me no later than the 1<sup>st</sup> of the month. If you have knowledge of someone in the Chapter that needs special recognition please be sure to let us know.

*Jay Martin, Newsletter Editor  
Chapter President-Elect*
